

Ag Energy is Unique

- Our purpose is to meet the common needs of our members through aggregation and collaboration.
- We provide competitive energy prices and products that suit our members' risk tolerance.
- We are connected to the ag, agri-tech, agri-food communities through association memberships, participation and support.
- We collaborate and cooperate with ag, agri-tech, agri-food and others to make a meaningful difference for Ontario – today and tomorrow.

Contribution, Caring and Cooperation

Our Offering:

- Fixed prices for one + years (nat. gas & electricity)
- Floating prices
- Large and medium volumes per member (currently non-ECPA only; < 50,000 m³ nat. gas/yr. and <150,000 kWh/yr.)
- Invoice assessment to identify opportunities for improvement or savings
- Industry advice and energy forecasts
- Utility representation and support
- Consolidate member needs for better buying power / leverage
- Representation of Members needs (i.e. Energy, ORPP, Cap & Trade, CHSOP, etc).

Contribution, Caring and Cooperation
